The screenshot displays the DivvyDrive web interface. On the left, a sidebar contains navigation options: 'Duvanım', 'Ortak Gruplar', 'Geçmiş', 'MEDYA' (with sub-items: Fotoğraflar, Videolar, Sesler), 'SİLİMLER' (with sub-items: Paylaşım, Kısayollarım, Silinen Dosyalar), and 'UYGULAMALAR' (with sub-items: MedyaShow, DivvyMail, DivvySearch, DivvyFlash, FolderListener). The main content area shows a 'Klasörler' (Folders) section with a grid of folders such as '1234', '00000000000000000000', 'ali bey', 'bl', 'ccccccccc', 'Cengiz Resimler', 'deneme', 'deneme test', 'DivvyDriveTerminal-2583', 'DivvyFileRequest', 'DivvyMail', 'farhat', 'FileMover', 'istanbul', 'mustafa', 'nihonfoto deneme', 'OGM', 'OGM2', 'OYAKP...', 'Resimler', 'Sesler', 'test video ve fotoğraf', 'Videolar', and 'YCP'. Below the folders is a 'Dosyalar' (Files) section with a grid of files including '010e9c905e00544eb070d65cbb...', '134A04AF-94F6-467E-ACB6-590A...', '00000000000000000000', 'androidDE (1).png', 'androidTR (2).png', 'butterfly.jpg', 'city.jpg', and several image thumbnails. At the bottom, it shows '34 Klasör - 29 Dosya'. The footer includes '2018 © Powered by NetDataSoft' and 'v4.0.0 Hakkımızda'.

DivvyDrive User's manual

You can see quota information here. You can find out how much quota is left here.

When we uploaded the file we see the details of the place. Take a look at the details.

Folder and file search section.

Indicates that there is a new notification when there is a red mark on it.

The section where the folders are listed

The section where the files are listed

The screenshot displays the DivvyDrive web interface. At the top, there is a navigation bar with the DivvyDrive logo, a menu icon, and a 'Kota Bilgisi' (Quota Information) section showing '516' with a progress bar. To the right of the navigation bar is a search bar labeled 'Ara...' and a notification bell icon with a red mark. Below the navigation bar, the main content area is divided into two sections: 'Klasörler' (Folders) and 'Dosyalar' (Files). The 'Klasörler' section shows a grid of folder icons with names like 'aa', 'oss', 'Cihaz Yedekleri', 'addas', 'deneme bu', 'denemeOlistur', 'dist', 'DivvyFileRequest', 'DivvyMail', 'dropzone', 'Ensarrrr', 'Football-background-wit...', 'klasor1', 'min', 'anur bu dosya', 'pagination', 'resimler', 'sdadasd', 'sdadasd', 'satsdsdaads', 'satsdsdsdsdsd', 'son', 'versiyontama', 'www', 'Yeni Klasör', 'Yeni Klasörtheamoo', 'yeniden adlandır', and 'zirvedrive'. The 'Dosyalar' section shows a grid of file icons, including images of a group of people, a soccer ball, a spreadsheet, and a Google Play store banner. At the bottom of the interface, there is a footer with the text '2019 © Powered by NetDataSoft' and 'v.4.0.0'.

Switch to icon view

DivvyDrive User's manual

- By right-clicking on the folder and files, we can perform the functions.
- Right-click on the panel in the right panel, except for the folder and the wall.
- We can see the number of folders and files at the bottom left of the panel. We're bringing 100 to 100 files.
- We can close the menu with 3 lines next to the logo on the top left.
- The panel on the yellow background shows the name of the folder that is open.
- Our address bar goes deeply when we enter each folder.
- With the arrow keys, you can navigate through the folders in the last navigation.

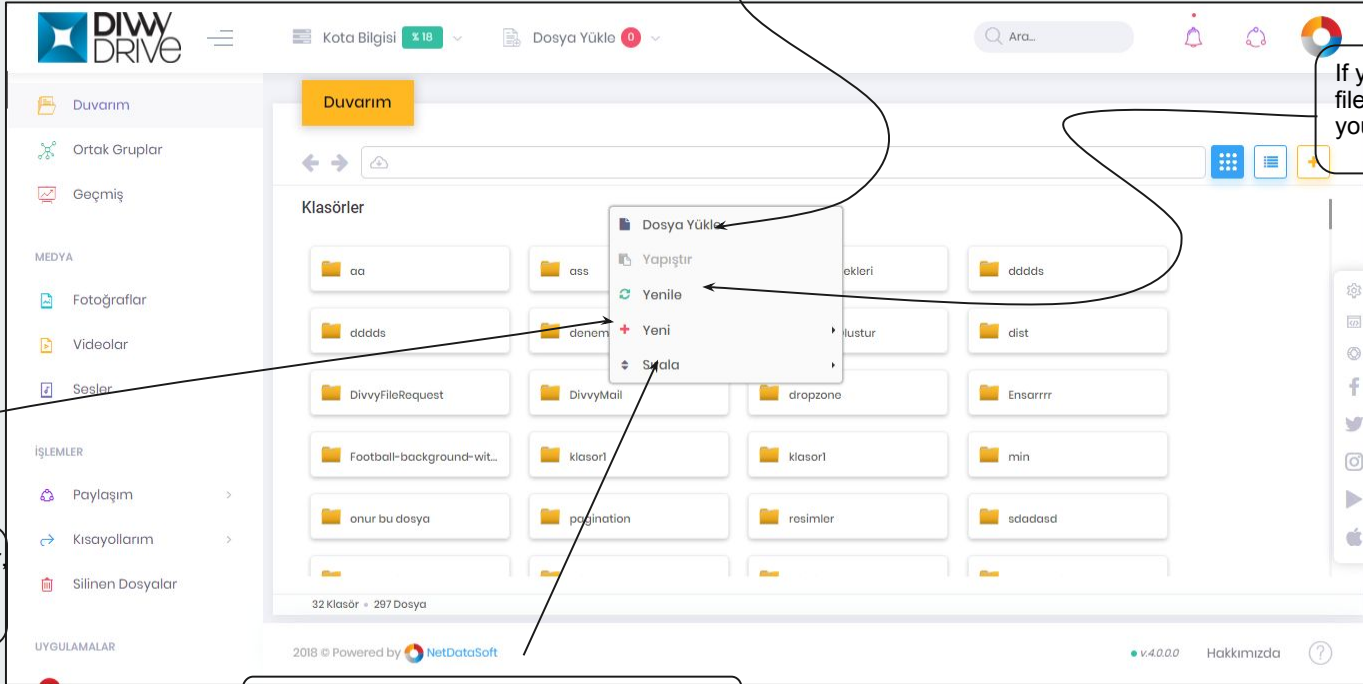

DivvyDrive User's manual

You can easily upload files to your location or change the versions of the files.
